

All Things Cheer -International Championship 2019 **House Requirements**

ATC is proud and excited to host customers at our competitions. We believe that our customers and our brands should benefit from the business we bring into a city. In order to do so we respectfully require customers to stay in our partner host hotels. All teams that are 45 miles or further away from the competition venue **ARE** required to stay in our host hotels.

Exceptions are as followed:

- If you live under 45 miles or closer to the event venue.
- If you are a one day only performance team such as: Prep and Friday night only divisions.

Booking outside of our blocks is a violation of our host hotel policy and will result in bid disqualification. Please be sure to communicate with our office if you need any clarifications. We are here to assist.

Click here for our most recent list of host hotels:
